Noah Pred
Stay True

thoughtless o10

Just in time for spring, Noah Pred presents two warm and breezy tracks to melt the winter away. Equal parts minimal techno and deep house, 'Stay True' is full of mystery and intrigue, while 'To Know That She Exists' recalls more innocent times. Showing a delicate side to his production, Noah reaches deep and stays true for Thoughtless...

01. Stay True
02. To Know That She Exists
