Why Do

Summer is here and Thoughtless is prepared for the heat with a fresh EP from Noah Pred. Asking the perennial question, the title track rides a low slung groove into tech-house oblivion for ten iconic minutes. 'Take Heart' turns up the humidity for a steamy late night jam, while 'No Love Is Enough' cools things off with sumptuous minimal house. Displaying his restless creativity in the studio, Pred is clearly ready for another thoughtless season...

01. Why Do
02. Take Heart
03. No Love Is Enough
